

Educational Use Agreement

This form is to be filled out by the professor of the institution requesting educational use of Aquaveo software.

hereby affirms that the following software will be used solely for educational purposes, as detailed below.

AHGW GMS SMS WMS will be used solely for educational purposes, as detailed below.

Please review the following statements and check the boxes to verify that you will comply:

I understand that the institution must forbid the use of the software for commercial purposes, even if performed by institution employees, except as related to research contracts awarded to the institution.

I certify that the institution named above has students and instructors, issues grades, and charges tuition.

I understand that the software license (purchased with an educational discount) belongs to the educational institution and should not be knowingly transferred to individuals leaving or no longer affiliated with the institution.

I understand that technical support provided by Aquaveo is only available for permanent licenses and not for individual student use.

I understand that failure to comply with any of the above items will result in revocation of the academic license.

Please describe the anticipated use of the software in Section I and/or Section II below:

Section I *(for use in classroom instruction)*

Course name:

Number of students:

Semester(s) taught:

Description of the course:

How will the software be utilized?:

Section II *(for use in academic research)*

Project name:

Description/scope of course:

How will the software be utilized?:

Educational Use Agreement

Please review the following benefits which apply to academic license holders.

By purchasing one license at the academic rate, institutions determined to be eligible for the academic discount shall be entitled to the following special academic license privileges:

1. Two (2) permanent* passwords. Hardware locks may be purchased at prevailing prices (if available) in place of one or both of these passwords.
2. Temporary passwords for as many extra computers as needed in order to install the licensed software in student computer labs may be requested. The institution may alternately purchase a network hardware lock (from 1 to 50 users) at prevailing prices (if available) to facilitate their student computer lab. The passwords or hardware locks will be good for no more than one year; however, they can be renewed or replaced at no charge as long as maintenance on the academic license is kept current.

On behalf of
complete and accurate.

(name of institution), I hereby certify that the above information is
